

BOMA Annual Building Codes Seminar

Alex Spilger, Sustainability Manager at BCCI Builders, is presenting to the BOMA Codes & Regulations committee on the new LEED mandates and offered insight on how to streamline the LEED process while reducing costs.

BOMA October 28 Annual Building Codes Seminar

Alex will also be discussing the advantages of constructing a LEED Certified building and how the task of becoming certified is much less daunting than you think.

The seminar will be held at the SFSU Downtown Center at Westfield Center from 8:00 am to noon. level conference room.

For more information about BOMA's Education and Training visit [BOMA's website](#).

Alex Spilger

Alex Spilger currently works to develop and implement comprehensive tools and systems for effectively managing the LEED documentation process on BCCI's diverse portfolio of green building projects. In addition to LEED project management, Alex is Founder of GreenStep Education and has taught LEED workshops through organizations such as the US Green Building Council (USGBC), the American Institute of Architects (AIA), and He has also developed curriculum for UC Berkeley where he teaches a 6-week LEED Project Management course during the fall.

About BCCI
